October 26, 2020 Monday

**Length:** 1033 words

### Body

---

It's happening on the left coast, where weird things happen with sufficient frequency to suggest that it's not worthy of being taken seriously, but it reflects a shift in perspective that could soon come to a state near you. Proposition 16 will be on the b... It's happening on the left coast, where weird things happen with...
