November 2, 2020 Monday

**Length:** 1702 words

### **Body**

---

Ordinarily, my writing appears in this space mid to late in the week. But a Tuesday election—and the uncertainty that may come as California’s vote tally vacillates in the days (and weeks) after—leads me to believe that the safer approach is to concentrate... Ordinarily, my writing appears in this space mid to late in the week. But...
