Length: 109 words

Body

A coalition of Latino elected officials, business leaders and activists speak in a virtual press conference on their support of Yes on Proposition 16, which would restore equal opportunity programs across California. Speakers address the history of anti-immigrant legislation in CA, misconceptions of affirmative action programs and how Latinos will be impacted by Proposition 16's passage in higher education, government contracts, and public-sector job opportunities. Speakers include CA state Assemblymembers Lorena Gonzalez and Miguel Santiago
