October 27, 2020 Tuesday

**Length:** 1082 words

### Body

---

If you were anticipating a calm election in California, there's still time to move to another state—maybe not neighboring Arizona, a pivotal battleground state, but some other state with less baggage. What controversies dog California as Election Day draws... If you were anticipating a calm election in California, there's still time to move to another state—maybe not...
